\*\*Please note that the Nursery Education Grant only kicks in on 1<sup>st</sup> January, 1<sup>st</sup> April or 1<sup>st</sup> September AFTER your child's third birthday.

### Our fees system explained:

One day = 8am - 6.15pm      One half day = 1.15pm to 6.15pm (1pm for existing children)

#### Example 1 of mixed days:

Monday and Wednesday full day and Thursday PM only aged 18 months

Monday and Wednesday = 2 full days = £520.00 per month

Thursday pm only      = 1 session      = £136.50 per month  
Total: = £639.17 per month

#### Example 2 of mixed days:

Tuesday, Wednesday and Friday full day and Thursday AM only aged 2 years

Tuesday, Wednesday and Friday = 3 full days = £502.67 per month

Thursday AM only      = 1 session      = £ 99.67 per month  
Total: = £602.34 per month

#### Examples of NEG funding discount

Monday, Wednesday & Thursday PMs

= 15 hours so there is an entitlement to the maximum 15 hour NEG funding = £155.80 per month

Monday & Wednesday full day

= 20 hours so there is an entitlement to the maximum 15 hour NEG funding = £155.80 per month

Monday & Thursday PMs

= 10 hours so there is an entitlement to only 10 hours of NEG funding = £103.87 per month

**NEG funding:** The local authority fund a maximum of 15 hours per week @ £3.28 per hour ONLY and the difference of £6.60 per hour needs to be paid by the parent. Any hours above 15 hours per week are charged at the normal rate.

Even though the local authority only fund 38 weeks a year we stretch this entitlement across 52 weeks. This saves confusion and allows for regular standing orders. As of printing the hourly rate funded is £3.28

#### The total NEG discount for the calendar month are calculated as follows:

15 hours per week = £3.28 x 15 = £49.20 x 38 weeks =£1869.60 per year; divided by 12 = £155.80 per month

10 hours per week = £3.28 x 10 = £32.80 x 38 weeks =£1246.40 per year; divided by 12 = £103.87 per month

5 hours per week = £3.28 x 5 = £16.40 x 38 weeks =£632.30 per year; divided by 12 = £51.93 per month
